Rindge Technical School

Cambridge, Massachusetts

DEDICATION

To an exemplary man whose dedication to his own calling has been a worthy example for us seniors to emulate. Here indeed is a beacon that will guide and encourage us along our devious ways. The class of nineteen hundred and fifty-six, herewith dedicate its yearbook to Mr. Francis T. McCabe, our genial Headmaster.

MR. FRANCIS T. McCABE
Headmaster

On leaving Rindge as "The Class of '56" we think back over the memories of our teachers and friends. Most of all we think of our headmaster.

Through his untiring efforts and personal interest in us, we are about to step over the threshold into a new life. We, who have had occasion to talk over problems with him, have found this man of distinction as a sincere and personal friend. We will never forget your kindness and advice and can only say in our way, "Thank You, Mr. McCabe. May you have many happy and successful years as headmaster."

MR. JOHN M. TOBIN
Superintendent of Schools

PROLOGUE

Herewith is presented a priceless treasury of names, events and pictures which should afford many a pleasant memory of those happy, carefree and yet momentous days spent at Rindge. This chronicle of student activities will serve as a future reference as well as an invaluable record of past reminiscences.

MR. EDWARD J. DANEHY
Assistant Superintendent of Schools

MR. WILLIAM J. KELLEHER
Assistant Headmaster

Four years ago when we entered Rindge we were warned not to arouse the wrath of Mr. William Kelleher, a man who was firm and unswerving when the regulations of the school were broken. This man became not only our advisor, but a personal friend. When we needed changes in our studies, Mr. Kelleher was always there with his valuable advice.

Those who never had the unique pleasure of meeting Mr. Kelleher missed knowing a wise and thoughtful man, willing to help everyone.

The graduating class of 1956 wishes to express its appreciation and thanks to Mr. Kelleher for his guidance through our years at Rindge.

MR. JOHN F. J. KELLEHER
Assistant Headmaster

The class of 1956 would like to take this opportunity to express our deepest thanks to Mr. John Kelleher for all that he has done to make these four years at Rindge pleasant and memorable ones. Because of his understanding of boys, he has made a solid impression on every individual in the class of 1956. We would also like to convey to him our deepest gratitude for his advice.

As assistant Headmaster, his guardianship and gentle manner will always be a happy memory. His wise supervision and knowledge has prepared us for the decisions that confront us along the road of life.

As we think back in later years we will always remember the fine work and good judgment that Mr. John Kelleher had to offer.

THE CLASS OF 1956

By G. Garland

CLASS HISTORY

On the morning of September 8, 1952, we, the graduating class of 1956, first entered Rindge. The class, during its four years, has had a large representation in every sport and extra curricular activity in which the school participates, and we feel it only fitting and proper that we make this brief record of events.

As freshmen we were considered by the upper-classmen as minute particles in the Rindge student body, but soon they discovered they were wrong. Our Freshman Basketball Team was crowned the class "A" Junior High School Basketball Champs of the State.

One of our outstanding students, Thomas Pond, led the school with an extremely high average of 95 which is unusual for any student.

As Freshmen we elected Francis Stashis as president of our Freshman Class. We placed many men on various sports teams; to name only a few, men like Frank Moretti, Doug Scholl, Joseph Elder, Paul Maloney and Roger Hamlin.

When we started our sophomore year we started to make ourselves known. We were a little older, and a little better able to understand the problems of life. We now began to look at ourselves to find out who would be our athletes, our academic students, and our class officers.

The boys who topped the list as our highest academic students were Thomas Pond and James Murphy, favorites among the men of Rindge.

At the beginning of our Sophomore year we suffered a great loss with the sudden death of Mr. Charles G. Harrington, Assistant Superintendent of schools, and Mr. Samuel J. Cohen, Teacher of Chemistry at Rindge.

Our Junior varsity football team ended its season undefeated, untied, and unscored upon.

In track Rindge men brought to Rindge the honor of being the new England Champions.

As summer came upon us we were anxious to leave Rindge, but more anxious to return and start our Junior year.

Our basketball team was the largest Rindge has ever seen, sixty-five candidates reported for basketball. We had a very successful season, winning the Suburban League Championship which entitled us to participate in the Tech Tourney.

The track team won the National School Boy A.A.U. Title using only two boys, Joe Elder, who won the dash, and Edward Collymore, who won the 600 yard run.

Rindge was presented an award by "This Is Your Life" in behalf of Walter Brennan, a former Rindge student.

Realizing that this was our senior year of school and that we would soon face the outside world we had to plan and organize for our future.

We elected Wayne McGurk as president of the senior class and he with the help of Mr. William H. Mahoney led the senior class to a very successful year.

Then on June 7, 1956 the day that all of us had waited for, the doors of Rindge will close behind us for the last time. Some of us will go on to further our education, others will go into the world of business, and perhaps some will go into the armed services.

Wherever we go, or whatever we do, we will always look back on what we have learned and always be grateful to the teachers and advisors who taught us, and we will look back with pride and the memories of the school days we spent at Rindge.

1955 FOOTBALL TEAM

We opened this season with a new coaching staff consisting of: Mr. Thomas Smith, Mr. George Saider, and Mr. Joe Fortunato. Together they set out to perform the difficult task of converting Rindge, a "T" Formation Team, into the single wing.

We as a very inexperienced team faced Newton, our first opponent, and although we were defeated we gave a remarkable account of ourselves.

In the following weeks Rindge encountered Wakefield and Watertown, two powerful teams, but with little success. Our next, with Lawrence Central, was cancelled because of inclement weather, but in the next two games, against Keith and Revere, the team showed tremendous improvement.

In the next two weeks we played our worst ball game at Hingham, losing 28-0, and our best ball game at Matignon, tieing them 0-0. On Thanksgiving Day, in a bitterly fought game, we lost to C.H.L.S. 14-6.

The following seniors are leaving: Co-Captain Paul Anderson and Frank Moretti, Walter, Boyle, Robert Cuzziere, P. Saia, John Dalrymple, Eric Lowe, Leo McDonnell, James Murphy, and Suchareski.

BASKETBALL 1956

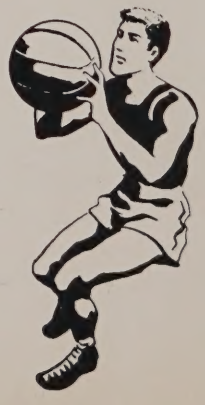
BASKETBALL 1955-56

After winning the Suburban League Championship for the past two years, it was believed Rindge would be as successful this year. However, it seems the law of averages has caught up with us, for we lost our first game to Newton with a score of 60-59, and our second game to Brookline with another heart-breaking score, 55-53. In spite of our losses, we showed the makings of a championship team, for with any luck we would have won both of those games.

We then traveled to Arlington, where in the last few seconds of the game the Spy-Ponders pulled ahead and defeated us 55-52. Our losing streak continued with losses to Watertown and C.H.L.S. With hope and determination we started the second half of our schedule. This determination paid off with success, for we won the following two games which were played against Newton and Waltham. This success,however, was short lived, for we lost to Brookline, 64-61. In the remaining four games with Watertown, Arlington, Waltham, and C.H.L.S. we hope to make a good showing to finish the season. Rindge's team will miss "Doug" Scholl, "Joe" Powers, "Jim" Murphy, and "Mo" Maloney, for they graduated this year.

We wish coach Murphy a successful future. With his know how we are certain Rindge will once again come out on top.



Front row, left to right: E. Jackson, R. Coffill, L. Wingood, A. Jackman, D. Nadeau, J. Elder, Capt.; N. Brooks, J. Thomas, W. Boyle, J. Perry. Second row: Manager, T. Belliza, D. Scott, H. Suchareski, J. Sullivan, W. Hallisey, T. Brathwaite, R. Adelson, F. Moretti, J. Carter, B. Grigsby, M. Payne, R. Lee, J. Obrine, R. Coulter, J. Banks, Coach T. Duffy.

TRACK 1956

December 31, 1955, the track season started. It was the Met. Division League. Coach Duffy and his defending champions. The team looked good going into its first meet with Somerville High. Rindge won the relay by a close margin. The score was 41-36. Two of our top runners, Joe Elder and Dave Nadeau, made good impressions.

The following week, January 7th, Rindge ran against Brookline and it was a tie going in to the relay. The same score won the meet. The B.A.A. met at the Boston Gardens on January 14th. It was anybody's meet. Dave Nadeau placed second in the 300 yard run. Joe Elder won the 50 yard dash. In the relay Rindge placed third and tied the meet with Malden High with a score of 15-15. On January 21st, at the armory, Rindge won over Malden by a score of 43-34. It was Rindge's nineteenth consecutive win since 1952.

We finished second in the State Meet, with a score of 19 points. Moretti won the shot and Elder the 50 yard dash. In the final dual meet of the season we were defeated by Newton 43 to 34. It marked our first defeat in the last twenty-two matches. Seniors who will be missed by coach Duffy next year are: Leroy Wingood, Joe Elder, Walter Boyle, "Dolph" Suchareski, and Frank Moretti. Joe Elder, Leroy Wingood, Frank Moretti and Walter Boyle are entered in the nationals. Joe of course is defending dash champion.

RINDGE HOCKEY TEAM

Front row, left to right: J. Quinlan, J. Brine, F. Mahoney, R. Hamlin Capt.; J. Dalrymple, P. Eichelroth, R. Barrett, T. McCarthy, G. Sutton, Mgr. Second row: Mr. W. H. Mahoney, Coach; Mr. W. Linskey, Trainer; L. Lewis, M. Luongo, D. Madigan, R. Mosley, J. Kelley, A. McConnell, F. McFaun, T. Cheney, Mr. H. C. Lynch, Faculty Manager.

HOCKEY 1955-56

At the start of the 1955-56 season the prospects looked none too bright. A small number of candidates reported and among them were only a few veterans. In the opening game against the strong Melrose team the score was 1-0 until late in the third period. Against an equally strong Arlington team the score was 2-0 but many observers said that with any luck Rindge would have won. In the first Cambridge Latin the score was 1-1. Medford was defeated 4-1 but Rindge was nosed out by Stoneham 4-3 and Newton 3-1. The Stoneham and Newton players claimed Rindge was the strongest opponent.

In the playoffs, Rindge faced Medford, Stoneham and Cambridge Latin. The seniors coach Mahoney will miss when another season rolls around are: Captain and All-Star, Roger Hamlin, Paul Eichelroth, John Dalrymple, Richard Barrett, John Quinlan, and Ted Cheney.

The senior class sincerely hopes that coach Mahoney will bring Rindge back to the heights he had them a few years ago.

BASEBALL

Mr. Gibson is optimistic about the 1956 baseball team, for the squad will include many veterans from last years varsity team as well as many prospects from the Junior and Freshman teams. The Senior class is well represented in the roster of players who are scheduled to turn out for spring practice. The outstanding performance of both Frank Moretti and John Quinlan resulted in their election as co-captains for this year's team. The infield will be covered by Lee, Quinlan, Scholl, and Powers; while the outfield berths will probably be filled by Hackett, Hamlin, and Curran, with Maloney on the mound and Moretti receiving. Coach Gibson's calculated comment at this writing is: "We'll win our share of games this year."

EPILOGUE

As we venture into the uncertainty of the future, our yearbook will help revive the cherished memories of our high school days. We, the class of ninteen hundred and fifty-six, have recorded in this book our accomplishments during our four enjoyable and enlightening years here at Rindge.

Let us hope that each facet of our lives will be as memorable as the days spent at our beloved Rindge.
